

Letter from the Editors. . . .

It is with much regret, that we announce the resignation of Mr. Paul Davies as "Chalk Talk" Editor. Mr. Davies has served the Mextesol Journal in this capacity since the first edition and his contribution will be greatly missed. His perspicacious and common sense approach to methodology made him an ideal supervisor of the more practical section of the Journal.

It is our misfortune that his duties as Director of the Instituto Anglo-Mexicano de Cultura in Puebla prevent him from continuing in this capacity.

However, we shall not be wholly deprived of the fruit of his knowledge and experience, as we look forward to regular contributions from Mr. Davies in this and future numbers.

The following persons or organizations contributed either their labor or their critical support in ways without which the journal could not have been printed and distributed.

Dr. Héctor Guglielmo	Director of IMNRC, where the issue was printed.
Mrs. Barbara de los Reyes	Director of Courses IMNRC
Barbara Langworthy	Administrative Subdirector IMNRC
Mr. José Centeno	In charge of printing at IMNRC
Mrs. Edith García-Zapata	Who typed the manuscript from E. N. E. P. Aragón
